UNAFF IN LIBRARIES: STINK

Thursday, February 21

Rinconada Library | Embarcadero Room

7:00—9:00 pm

Stink! is a first-person story about one father's absurd journey to find out what kinds of chemicals are hidden in a pair of his kid's pajamas. But instead of getting a straight answer, director Jon Whelan stumbles on an even bigger issue in America, which is that some products on our store shelves are not safe—by design.

Director: Jon Whelan

Run Time: 91 minutes
