May 7, 7PM

Rinconada Library

As part of our Book to Action programming, UNAFF in Libraries presents this intimate look at a much feared illness and a loving portrait of the meaning of family. *The Genius of Marian* follows Pam White in the early stages of Alzheimer's disease. Her son, the filmmaker, works with her as she attempts to write a book that tributes her mother, the artist Marian Steele. As Pam's family comes together to support her, they must also prepare for the new reality that Alzheimer's brings. The film is a powerful work of art with many visual textures.

Directors: Banker White, Anna Fitch.

Run time: 85 min.
