DEMOCRACY UNDER SIEGE

Director/Producer: **Laura Nix**

(Belgium/Luxembourg/US, 90m)

Using the sharp wit and insightful art of Pulitzer Prize-winning cartoonist Ann Telnaes the film explores the challenges facing US democracy. It connects present-day crises with their roots in American history via commentary with political observers who explore executive overreach, a crisis in judicial ethics, and a media environment saturated with disinformation, as the country grapples with fundamental challenges that transcend individual presidencies and increased fears of an actual authoritarian takeover.
