REQUEST FOR SUPPORT

On behalf of UNAFF (United Nations Association Film Festival), we would like to ask for your support of our upcoming 29th annual film festival, held from October 15 - 25, 2026.

This year's theme, **PASSION FOR CHANGE** continues our devotion to human rights with an emphasis on the energy, foresight and courage required to respond wisely to the increasing pace and challenges of our times.

UNAFF HISTORY

Founded in 1998 by Jasmina Bojic, film critic and Stanford educator, UNAFF is an international documentary film festival originally established at Stanford University and in Palo Alto to celebrate the 50th anniversary of the signing of the Universal Declaration of Human Rights. Since then, UNAFF has grown and earned the respect of audiences and filmmakers alike for its fearless independence and integrity. In addition to providing early outlets for films, UNAFF prides itself in creating a community forum for discovery and dialogue about different cultures, issues, and solutions.

UNAFF has screened some of the most awarded and influential documentaries, including 8 that went on to win Academy Awards and 39 that were nominated.

UNAFF partners with community organizations and presents documentaries on domestic and international issues that include, but are not limited to, racism, environment, sustainability, energy, climate change, health care, education for all, children welfare, social change, refugees, gender equality, LGBTQ issues, war and peace.
