THE POWER OF SMALL

Director/Producer: **T.C. Johnstone**
(US, 40m)

Six individuals are gifted with significant financial resources to express generosity and spread kindness. What unfolds is an unanticipated journey of self-reflection and creative empowerment. The film reveals how modest, intentional, and personal acts of kindness possess a remarkable capacity for both self-awareness and lasting impact.

moderated by **Jasmina Bojic** Founder and Executive Director of the
International Documentary Film Festival **UNAFF**
