THE PANAMA DECEPTION

Director/Producer: **Barbara Trent**

(US, 91m)

The untold story of the December 1989 U.S. invasion of Panama; the events which led to it; the excessive force used; the enormity of the death and destruction; and the devastating aftermath. It uncovers the real reasons for this internationally condemned attack, offering a view of the invasion which widely differs from that portrayed by the US media and exposes how the U.S. government and the mainstream media suppressed information about this foreign policy disaster.
